

Here's Everything You Need to Get Started

Congratulations on making a great decision.

You're ready to purchase your College Illinois! Plan. Before you begin the enrollment process, we've provided a checklist to make your experience as simple as possible. You can use this checklist to help you gather and prepare the information you'll need while enrolling.

Important information you'll need to complete your application:

- You and your Beneficiary's (future student) and your Successor Purchaser's Social Security Number*
- Your Beneficiary's date of birth
- Your selections for the type of prepaid tuition plan, the number of semesters you wish to purchase and the payment option you intend to use

**As the Purchaser (owner) of a prepaid tuition plan, you must designate a Successor Purchaser. This person will have access to account information and will take control of the prepaid tuition account in the event of your death.*
