¹For Illinois resident students attending an Illinois public college or university, the full cost of tuition and fees is covered. For students attending a private or foreign college or university, the tuition and fee payment is capped at the national maximum of \$20,235.02 for the 2015-16 (updated 8/1/15) academic year. If a student is attending an Illinois public college or university as a non-resident student, or a private college or university that is more expensive than the tuition cap, he or she may be eligible for extra payment under the Yellow Ribbon Program.

²The tuition and fees amounts shown on this chart are the Freshman-based amounts for 2015-16, and do not include any additional costs for specialty programs.
